

*I ask my own questions I use different ways to answer them*

*I set up my own simple tests*

*I make careful observations*

*I suggest improvements and raise further questions*

*I use different equipment to measure accurately in standard units*

*Working Scientifically in Lower KS2*

*I use relevant scientific language*

*I gather, record, classify and present data in different ways including drawings, labelled diagrams, keys, bar charts and tables*

*I draw simple conclusions and make predictions for new values*

*I explain what I have found out using speaking and writing*
