

I report and present findings using speaking and writings including displays and presentations

I ask different kinds of questions

I can set up fair tests when necessary

I decide what observations and measurements to make

I use different scientific equipment to measure with precision. I take repeat readings when appropriate

## Working Scientifically in Upper KS2

I use results to make predictions and set up more tests (including fair tests)

I use relevant scientific language and illustrations

I explain what I have found out using speaking and writing

I decide how to record data and results. I can use scientific diagrams, labels, classification, keys, tables, scatter, bar and line graphs
